The Honorable Rose DeLauro
Ranking Member,
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro

I am requesting funding for Area Q/R-1: Critical Infrastructure Improvements in Fiscal Year 2027. The entity to receive funding for this project is the Panama City, located at 501 Harrison Avenue, Panama City, FL 32401.

The funding would be used for an area in the City identified with aged infrastructure with critical need for replacement. The project is an appropriate use of taxpayer funds because it will improve drinking water quality, reduce boil water notices (BWN), improve fire flow and sanitary sewer containment, reduce sanitary sewer overflows (SSO), and sulfur dioxide and methane exposure, while providing safe roads and sidewalks.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Neal Dunn
Member of Congress
