The Honorable Rose DeLauro
Ranking Member,
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro

I am requesting funding for the Wakulla County Fire Rescue Station in Fiscal Year 2027. The entity to receive funding for this project is Wakulla County, located at 3093 Crawfordville Highway, Crawfordville, FL 32327.

The funding would be used to construct a new Fire Rescue Station to serve the Wakulla Station community. The project is an appropriate use of taxpayer funds because the existing Wakulla Station Fire Rescue Station has been determined to lack sufficient resources to adequately support its operations and a suitable replacement is needed in order to meet the public safety needs of residents and visitors. This project has been identified as necessary for the County to pursue through its inclusion in the Wakulla County 2025 Adopted Infrastructure Plan (AIP). Public input was received on the projects incorporated into the AIP through public meetings and an online survey.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Neal Dunn
Member of Congress
