Ranking Member,  
Committee on Appropriations  
U.S. House of Representatives

Dear Chairman Cole and Ranking Member DeLauro

I am requesting funding for the Havana Health and Wellness Center in Fiscal Year 2027. The entity to receive funding for this project is the Havana Community Development Corporation, located at 264 Carver Avenue, Havana, FL 32333.

The funding would be used to support a rural healthcare facility established to advance wellness, public health outcomes, healthcare technology, fitness, eradication of food deserts, farm-to-table nutrition and similar services substantially dedicated to mitigating or responding to public health needs and episodic medical treatment needs of uninsured and underserved populations in rural Gadsden County, Florida. The project is an appropriate use of taxpayer funds because it will help alleviate the overwhelming and documented health disparities among rural Gadsden County residents, when compared to Floridians as a whole.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Neal Dunn  
Member of Congress
