The Honorable Rose DeLauro
Ranking Member,
Committee on Appropriations
U.S. House of Representatives

Dear Chairman Cole and Ranking Member DeLauro

I am requesting funding for PanCare of Florida Blountstown Community Health Center Renovation in Fiscal Year 2027. The entity to receive funding for this project is Calhoun Liberty Hospital, located at 403 E 11th St, Panama City, FL 32401.

The funding would renovate a 12,050-square-foot existing building in Blountstown, Florida to establish a full-service community health center providing primary care, dental services, behavioral health services, and pharmacy services. The facility will significantly expand access to preventive and primary healthcare for residents of Calhoun County and surrounding rural communities, where healthcare access is limited and many residents must travel long distances for basic services. The project is an appropriate use of taxpayer funds because residents of rural Northwest Florida face significant barriers to accessing primary healthcare services due to long travel distances and limited provider availability.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Neal Dunn
Member of Congress
