The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Monticello Water Line Replacement Project. The entity to receive funding for this project is City of Monticello Florida located at 245 S. Mulberry St., Monticello, FL, 32344. The funding would be used for upgrading the cities water lines. The project is an appropriate use of taxpayer funds because it will help to ensure a reliable clean water supply for city residents.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300 J-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Neal P. Dunn, M.D.  
Member of Congress
