The Honorable Rose DeLauro
Ranking Member,
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the THL Resiliency Project in Fiscal Year 2026. The entity to receive funding for this project is The Tallahassee International Airport, located at 3300 Capital Circle Southwest, Tallahassee, FL 32310. The funding will replace utility poles and overhead power lines near the Airport with underground service connecting directly to the nearest substation. The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Neal P. Dunn, M.D.

Member of Congress
